XLM	1	5.20	3.10	2.10

Disclaimer

For information only; not tax advice. This statement lists realized gains and losses on positions as recorded by the Zenith backend. The short-/long-term flag uses a simple one-year holding-period threshold; jurisdiction-specific rules (e.g. wash sales, Section 1256 contracts, straddle rules) are not applied. Consult a qualified tax professional.
